

# Euphoric Night

Reffly

8 Lights glow in the darkness, we start to move, Hearts racing,

4 with the boom In this wave of bass and sound, We

8 feel the earth quake, ground, In the fervor, none

11 pretend, Dawn nears, as skies mend, New joy born

15 from our rave, To celebrate and

22 transform With each vibe we thrive, The night's alive,

26 Desire rises in our eyes, From

31 the deep thrill music spills, In the flow of pristine wills.

33 Our spirits meld, Dance can't
