Be - neath the sun, the reg - gae rhy - thm flies,

O-cean mur-murs to shores un-der clear skies,

Bare-foot on sand, where peace - ful life lies,

With the oc - ean's pulse, soul - ful bonds a - rise,

Palms sway, sha - ring se - crets that wise, Each

sand-y speck, a se - rene sur-prise, Here re-peat we

these bliss - ful beach - side ties.
